How to get to Aichi Sky Expo?

From major airports in Japan

✈ From Chubu Centrair International Airport

Chubu Centrair International Airport is the closest airport located only 5 minutes away from the venue by walking. Please see the photo for detailed directions.✈ From Tokyo International Airport (Haneda airport)

The trip from Tokyo Haneda airport to Aichi Sky Expo takes around 3 hours by bullet train. Take the Keikyu Airport Line until Shinagawa Station, then change to Tokaido-Sanyo Shinkansen line to Nagoya Station.✈ From Narita International Airport

The trip from Narita International airport to Aichi Sky Expo takes around 3 hours by bullet train. Take the Narita express train to Shinagawa Station, then change to Tokaido-Sanyo Shinkansen line to Nagoya Station.✈ From Osaka International Airport (Itami airport)

The trip from Osaka International airport to Aichi Sky Expo takes around 2 and a half hours by bullet train. Take the

Itami-Airport Limousine bus to Shin-Osaka Station, then change to Tokaido-Sanyo Shinkansen line to Nagoya Station.

From Nagoya by train

□ From Nagoya train station

If you are coming from another city in Japan by train, you will most likely need to change trains in Nagoya to reach the venue Aichi sky expo. Use the Meitetsu Tokoname Line from Nagoya Station to the Meitetsu Central Japan International Airport Station. The trip takes 30 minutes.

From Nagoya by car

□ If you are coming by car, take the Chita Peninsula Road from the Odaka Tollgate, and head in the direction of Centrair at the Handa Chuo JCT.

Please note that advance reservations for parking are not accepted.
